Dear Mrs. Chapman, -

I have written to North Ala. for court records on my grandfather & hoped to hear so as to write you.

At this late date I am sending check for five dollars for work in Mecklenburg Co.

Yes, I have a copy of records in my grandmothers Bible, which she had during her first husbands life & recorded Benjamine Taylor, some time after they married, which was after 1833.

We all thought his parents died when he was quite young, as Richard, Robert & Goodwyn may have been by a former marriage.

Goodwyn's daughter married Henry Ingram & I know Henry was born 1812, and his eldest daughter was about age of my mother who was next to youngest of five children.

One girl was named Elizabeth in grandfather family & one Sarah & it must have been for grandfathers family. Elizabeth & Sara were sisters of Benj. F. It would have been just like grandfather to have just had Ben Loyd, which he did unless records show

other wise.

I also wrote Cousin Florence Mason in Houston to see if published records would throw any light on it.

On my father's side I have a Polemo line back to Belfast Ireland also Malone & Baldridge.

A lady in Texas is wanting Thomas Baldridge that was in Tech of Tex & was from Barbadoes.

If you run across him I will write her a card.

Will let you hear from me soon as I can.

Sincerely,

Mrs. W. P. Blaine

My dear Mrs. Chapman,-

I am enclosing check for $1.25, the twenty-five is for postage on data you returned & $1.00 for reading the Croft data for me. You did not mention cost & I thought perhaps that would pay you for your time.

Will you please go to Surry & try for my Taylor link.

Goodwyn had a stone but not anything on it. Grove by spring on my Uncles place known as Goodwyn spring. He was in county as early as 1818, his wife was Polly, son Robert, daughter Mary G. & Susan.

He & grandfather both had land described "72 R. 9." Grandfather bought as early as 1831.

I am also sending Ingram data Mrs. Biggs sent. I thought perhaps the John is father of my John & Thomas his son (John 72.8 R.) Wm. & Ann grandfather of John of I. of W.

Mr. Ingram of Houston says Wm. Ingram was from Wales m. Mary Stratford of England. Wm. Kirby m. Judy Moody of Yorkshire. John Ingram "(Wm) m. Elizabeth Kirby & moved from Northampton Co. N.C. to Pee Dee river section where he lived & died.

Will you to tell me what you get out of this & let me know your charges.

I have company & children company at that.

So with this weather perhaps you can understand this letter.

Please let me hear soon.

I wondered how Mrs. Arrington was related to Washington.

Sincerely

Elizabeth Blevins.

Dear Mr. Chapman:-

My first letter for the New Year, first to make some start on trying to finish up my cousins line.

I am thinking of recording the Mason line (at once) & leaving space for one, two or three generations for immigrant & two others. I need the space for other inter-married lines, if it will never be used. How many would you suggest?

I am sending you some notes from my cousin, Mrs. Mason. Please take time to see if you get any suggestion on any line & include in your bill.

Also let me know if you can get Taylor line or if it is hopeless. This first for my own satisfaction.

Also I want to record Edwards line & have been waiting to know how you feel about it by now and also Susannah Crosby that married (think it was Henry) Henry Simmons. Ray Edwards is said to have been related to his wife & this would give relation.

Could I say in my Mason note there was strong reasons to think that Capt. John descended from Francis Mason? I do want to be strictly correct in my data. So many are not.

I would be so glad to hear from you as soon as you can answer what you may think foolish questions.

I appreciate I can fall back on you. My cousin is over as nice about it but I certainly feel it must be finished some way. Glad to hear.

Dear Mrs. Chapman:

I am enclosing the data on Col. Thomas Taylor, also a clipping of Mrs. Tuttles parentage as I have seen where she went in D. A. R's on service of Col. Thomas Taylor & as you see her mother also was a Goodwyn.

When you write again I would appreciate it if you would give me a statement signed, stating every generation in Edwards line proven & perhaps just where the doubt lies.

Not that my cousin in Dallas or I either care the least about it but one in Houston has been very unpleasant about it though she has not had a thing to

do with your work.

She is a sick woman & as it is her line & not mine she has pined me down close on it.

I dont think she understands your frank honest statements, that some would not put in as unproven. I dont want to seem unappreciative of her work.

In work on Cunningham, my grandmother was Olivia Nance & family were from Lincolnton, Co. N. C. & also Tenn & later Ala. Even in N. C. there is a marriage relation with Laniers. I have seen where Nicholas Lanier son of John Lanier perhaps married Mary Nance.

Let me know if I can try further on Longs in D. C.

Sincerely, Elizabeth Bleiows.

Dear Mrs. Chapman:-

First for fear you read the enclosed letter let me explain. This woman saw my cousin Hiram Douglass' line in print & wrote to him & he sends all letters for me to answer. She will not let me alone, though I did not answer last letter.

Certainly I would not pull you into it but thought perhaps this was Tillman you want for man in Houston. If you dont care to take it up with her write to me & I will write her.

What she wants from me is what I sent you from Mr. Lane from Jackson, Ga. in which Isaac was immigrant & one went to La. So please send it to me if you have it. Hope this will help you.

I want to tell you a lady in Mo. went in D.A.R. on service of John

Ingram Patriot who married Patience Berry through Patty Clay sister of Moses Ingram. She wants to go in with me on finding Ingram line. Can you do it?

Hiram Douglass went in Colonial Tara on John Flood & Fortune Jordan.

Please tell me if Fortune married Mills last & if she left John Flood. I cant understand dates.

I am very anxious to hear from you about Taylors & Cunninghams.

Could you make out the chart of the Jones line giving children & their marriages.

Hope to hear from you soon.

Sincerely

Elizabeth Plowman

Mrs. H. P.

My uncle Prof. Samuel Stanley Cunningham married Miss Beulah Stanley of North Ala. He married Miss Bedford. No relation that I know but the family may be interested in Bedford Co.

Monday.

Dear Mrs. Chapman:

Nearly two years ago I wrote to a Mr. Rupert Taylor of Clemson, S.C. & he was not at home at the time but wrote me he had some data on my Taylors so I wrote again but only had wills of Thomas 1772 & Goodwyn 1786 & he mentioned Thomas mentioned lands in S.C. on Broad River (both sides). I remembered in Lineage Books some one in Huntsville, Ala. (on same highway as my old Taylor home), also Montgomery went in D.A.R. on Col. Thomas Taylor & one had Thomas Jr. in line. Col. T. died in Columbia. Thinking this Col. Thomas was brother of Goodwyn who died 1786, I am wondering how many of the five brothers went to S.C. Only Thomas Jr. may have left children in Ala. Grandfathers Father certainly died at least around 1810.

The D.A.R. now have an Extension

Dept. & will search for one name in their library & in Washington for D.C. We could have the five brothers in Thomas & Penelopes family looked up. Some might be found in D.C.

You may have a better suggestion to make. I think I saw Col. Thomas Taylor's picture in Columbia.

I have a clipping in which it said he dominated the sight of Columbia & one of signers of Declaration of Independence. Looks as if this would make it easy to get all of his family.

Then I am sending you a letter of my Cousin's in Houston as you will see she thinks our Masons came as ones in New England.

Also sending you my Cunningham data to see if you can work out my line.

There was a James Cunning Ham in Cumberland County Va. during the middle 1700's. Please excuse this letter as I am not at my best. But must get it off. Sincerely

Dear Cousin
I do better
data

Dear Mrs. Chapman:-

So many things have taken up my time for the last month I have rather lost out in my search.

I have never had a reply to my letter in North Ala. but did not expect to get very much help.

Since my uncle was oldest son & named Benj. Franklin I feel sure Grandfather was Benj. Franklin & I have heard my oldest brother say he was just Ben Zoyler.

No doubt he signed his name Ben.

There is sickness in my family in North Ala. or I would look into it again.

So I am writing to ask you what you would suggest for next step for proof.

As my other Uncle was named Thomas Jones Taylor, grand father's father may have been Thomas Jones.

I noticed Polly Jones Taylor tradition has it that was Grandfather's only sisters name.

My Aunt was named Sarah & her daughter in Dallas writes me she does not know where they got it unless from Taylors.

Elizabeth could have been from the Washingtons & Ingrams.

There must have been a second marriage.

In looking over those notes from

S. Carolina Crofts you can see it is the same as Da
Thomas & John Croft also
Susannah & also married into
Simmons family so I am going
to mail you the copy I made
of booklet & please read it over
& see if you can get any
help for my lines.

I am looking to you for help
in finishing up Taylors, Edwards,
Crofts & Grays also work on John
Lanier I spoke to you about. Course
in some cases just all the proof you can get.
I am sure you understand
I dont want to run a foolish
risk. If you see any thing that
might help look into it or let

me know if you have time before making trip & let me know what work is worth.

In looking over these Craft notes I shall pay you for your time.

If you have run across anything I shall appreciate an early reply.

Thank you for any help.

Sincerely,

Elizabeth Blevins.
